Founded 1983

Dear Neighbor,

The time has come for our annual membership drive to support the Proud Neighbors of Collingswood. Each year we collect a minimum of fifteen dollars per household to cover liability insurance & operating expenses for the organization.

PROUD NEIGHBORS OF COLLINGSWOOD is a all volunteer, non-political, civic organization with IRS approved 501(c) (3) status as a public charity. All officers and participants are volunteers and the organization has no paid employees.

Fundraising projects and your contributions generate funds to help us complete our mission to promote awareness about historic preservation in the Collingswood community. We strive to educate by sharing ideas and information on restoration and preservation with residents, the business community, and local government while working to maintain the historic character of Collingswood. Please feel free to send us an e-mail to request list of Proud Neighbors donations and accomplishments or visit our web site at www.proudneighborsofcollingswood.org.

Thank you for being a member and investing in the community of Collingswood!
We have fun and get things done!
